A very comfortable, climate-controlled excursion that features two separate mountain grades, an "S" Curve tunnel, passage into a 1,500 feet deep canyon with steep, densely forested slopes, and a high bridge over the meandering Shavers Fork of the Cheat River. This vintage diesel-powered passenger train has gained a reputation of one of the most relaxing mountain wilderness excursions in our Mountain Rail Adventures portfolio. The 4-hour, 46-mile round trip departs at 11 am from the restored Elkins Depot on Railroad Ave. on the trip to the falls, enjoy an "All You Can Eat" cold sandwich buffet, which is included in the ticket price. The trip culminates at the High Falls of Cheat, an 18' High, 150' wide waterfall located in one of the most remote & pristine settings in the region. If you're looking for comfort & spectacular views on a vintage train, this is the ride for you! Pricing \$22/person for the 1922 Deluxe Pullman Parlor Car, limited to 26 people. We need 20 people to get the group rate. Registration must be made with the Blue Knights @ WWK.

RANDY GRACY, AL VIII • publisher@blueknights.org

Hello fellow Blue Knights®,

Here in the states the temperature is running about 95° where I live and it's not going to let up for a while. But that just means more warm riding weather and meeting folks that are like minded on two wheels.

With the happenings around our house hold, it has been hectic as well as eventful. For one, I was thrown off our new horse and suffered a broken shoulder, total separation and four fractures including my pelvis. Needless to say, I've been down and on my arse for a few months. Physical therapy is a daily occurrence and I'm not one wanting to sit around doing nothing, but I've been told and I'm learning to ask for help and the Doc's orders are mandatory. No riding my motorcycle until next year (and no, I did not shoot the horse; although the thought did cross my mind).

Secondly, my wife was at a women's motorcycle riding event in North Georgia and was having a great time meeting women who ride; friends and new friends. On the last day before heading home, she was riding with two other women on a winding curvy road. She was side swiped by an idiot male speeding, cutting corners and had no respect for human life (my opinion). She entered the corner on the left side of her lane...the guy driving the full size crew cab truck was completely in her lane... Kristin instinctly pulled hard right only 3" from going off the side of the road and they collided side on side. Her motorcycle was totaled... but she managed to stay upright. The truck touched her leg, but did not take it. There were tire and truck marks down the entire side of her bike including the crash bars, but she stayed up. She said plainly, "I thought I was going to die... but God has plans for me. I'm still here and physically unhurt". I was at home and hours away. Here's where it all comes together, that Brotherhood thing. Kristin is OK and the motorcycle is being repaired. I want to personally thank Bob Awtrey of GA 18. He took a month or so out of his busy schedule, one to keep me calm, sane and not do something I would regret; and two, helped me make sure the officers did their due diligence in the accident investigation (and that is another story for the SRC around the camp fire). Bob stepped in when I was long distance and you just don't get that outside this club.

Moral of the story... love one another and begin that brotherhood thing that means more than just a word we throw around. My wife was almost taken from me and I do not let a day go by telling her I love her along with a hug. It can happen to any of us. Let that petty s%#t go! It's time we are ONE; ALL OF US!

With that... go out there and make it a great rest of the year &... RIDE WITH PRIDE!

Blue Knights® Sword & Shield™ - 5

West Virginia II

By Ed Martin, WV II President

West Virginia II held our 24th "Wild & Wonderful Knights Weekend" in Elkins, WV. It seems that everyone enjoyed a great weekend with us and enjoyed the fun of riding the mountainous roads of West Virginia. West Virginia V received the award for Best Represented Chapter in Conference and Indiana XIII received the award for Best Represented Chapter out of Conference.

Our chapter donated close to \$9,000 to several different funds in 2019. We have helped with several homeless

shelters, helped with cancer patients, accident victims, Blue Knights Cops Run, high school student activities, flood victims, sponsored several children's ball teams in West Virginia and presented several children with Christmas gifts.

We will also be hosting the 25th Annual Wild & Wonderful Knights in conjunction with the 2020 Mason-Dixon Conference next year May 22-24 (see our ad in the 4th Quarter issue of the Sword & Shield). Be prepared for a Wild & Wonderful MDC event!

Many of our members are looking for places and things to do. Make sure to advertise your event and get the word out, especially to our chapter. Be safe and we hope to see you at the next Blue Knights gathering! Ride with Pride! www.blueknightswv2.com

International President

GUY O'CONNER, AZ VI • president@blueknights.org • 928-713-4968

Greetings fellow Blue Knights. I need to start off by giving a big thank you to those who took their opportunity to vote and elected me the 21st International President. This is by far the highest achievement

of my personal or professional career and I will strive each and every day to fulfill the duties and responsibilities of my position.

I would like to take this opportunity to thank Karen Borza for her time and service on the past three International Boards. I also need to thank DJ Alvarez for his three terms as the outgoing International President, thank you for a job well done.

I was blessed with the opportunity to visit nine conference events and the International Convention in Rye Brooke, New York this past year. I was able to see firsthand many of the great people who make up this fantastic club. I was able

to experience over and over again the saying "there are no strangers, only friends you haven't met yet".

I will get straight to work for the club, treating the next two years as a full time job. I'm not a politician and I'll not act like one. I am fully committed to doing what's right and not what's politically correct or politically expedient. I'm just a regular guy who loves riding motorcycles and the camaraderie and friendship of the law enforcement community, especially those who are members of this great club.

I hope to see you out there during my travels as I represent the Blue Knights LEMC, the finest law enforcement motorcycle club in the world.

International Vice-President

ANDREAS HOHENDORF, GERMANY V • vicepresident@blueknights.org • +4915158754526

Hello Blue Knights!

As your newly elected International Vice-President, I want to thank you for your support and for the trust you put in me. And I want to thank the other three candidates

for a good and proper campaign. The next two years will be an incredible adventure for me and not only because that I am the first Knight from Europe, Germany and Cologne, who was elected in this position. The tasks which are in front of me, are very important and I never said, that I have the almighty power to solve everything. To bring the club back to the strength, we had in the past, I will need the support of every one of you; especially the help of my VP election candidates. Our ideas were similar and it's my strong opinion that we need to work together to create a brilliant future for the Blue Knights. I even need the help of the Conference Boards, the Chapter Boards and the help of every member of our great club.

You, in every chapter, know where the motorcycle-addicted members are. Members, who don't know yet, but that they will be members. You, in every chapter, know where you can meet officers from different agencies, who can be members. As I know it for Cologne and Germany V, you know it for your area. We just have to go out and convince them that we are a great club, which is worth joining. If you need help, let me know. I will support you in any way and if you have ideas, I will see what I can do for you. But never forget, it's not me alone!

The Executive Board will help in any way. I am part of the Executive Board and so I have to act and react.

Let's leave the past behind us! Don't live in old rivalries. Don't let bitterness rule us. It's a waste of time, power and strength. Let us prevent making major mistakes and bring the Blue Knights back to the 20K. I know, this is ambitious, but we need a goal and more important, we have to keep all members in the club. I know that sometimes members leave a club because they change their minds. But they shouldn't leave the club because they are disappointed about our way we treat each other. Sometimes in every family there are hard days and rough waters, but on the next day it should be done. Sometimes I don't agree with the members of my squad in the Cologne Traffic Department, but nevertheless we stand all on the same side! That's the way it should be; Standing together, riding together, talking to each other! Maybe we didn't agree, but we will understand each other.

That is what I have to do in the next two years, talking to you and acting for you. And I will ask for support, when I make my ideas concrete. So, if you want to contact me? No problem, but please think about the difference of time. EST +6 hours, New Zealand -10 hours. Maybe in Cologne it is the middle of the night. But serious, don't matter if you call me, send me Messages or Emails, I will listen to you and answer you. Let's make the Blue Knights great again.

Thank you and Ride with Pride!

International Secretary

JIM BORZA, TX XXXI

secretary@blueknights.org • Cell: 814-574-3336

Greetings from your International Secretary,

Well another International Convention and Election is in the books. Great job by New York 2 and thank you for everyone who supported me.

I was honored to be re-elected to serve the members as secretary once again. Talking to so many members and watching posts on social media concerns me very much with all the incorrect

information certain members continue to put out there. That's why I encourage the membership to read the minutes or pick up the phone to find out a correct answer to a question or concern they may have.

This club has 16 members on the board with a vote and if needed the President only votes in an event of a tie. When an agenda of an upcoming board meeting is posted, contact these members and voice your concerns and tell them how you want then to vote on an item. I would like to see more members run for their conference reps positions and put new faces and ideas on the board. Many people say we need new Executive Boards members for a positive change but this is also true to the conference reps. So I encourage members to run for these positions for fresh ideas in this great Blue Knights Organization.

I look forward to serving you, the membership, for the next two years.

Ride with Pride!

International Treasurer

JOHN BULL, MD I • treasurer@blueknights.org

As the first half of 2019 comes to a close, you can see by the financial reports in the Members Only Section, the club is in good shape. At this point in time, we are well into the black and looking at a stronger finish than last year. Please take the time to review the reports and send me your comments or questions. If there is additional information you would like to see in the reports, let me know.

At the General Membership Meeting in Rye Brook, New York the 2018 year-end report and the 2019 mid-year report were presented to the membership in attendance. After a brief review and question session, both were accepted. In case you missed it, we finished 2018 over \$90,000 in the black.

Recently the Board of Directors voted to close the Silver and Bronze Dues Tiers. This was done because the program as it was originally set up could not sustain itself. I and the Board believe 100% that the recognition of members for achieving twenty years of service is something that should be done. The question is, "What is the best way to do it and be fiscally responsible?"

At this year's International Convention members discussed the closure of the tiers and voted to support the closure. The system was simply broke and needs to be fixed. As we move forward, several members have stepped forward to help come up with a more sustainable way to recognize members.

As you may have noticed by now the fiscal reports I produce have been added to. This was done at the request of members who wanted to find information on our finances a little easier. I have added a summary page to the current detailed sub-report. This new overview report will have a running total for the Executive Board for the fiscal year. If anyone has anything else they would like to see or simply has a question, please do not hesitate to contact me. I am always here for the members I serve.

SCOTLAND III FOUNDER

Ronald "Rocket Ron" Harrison

TRANSFERS TO HEAVEN I

By Iain Ferguson

Retired Constable and one of the founder members of Scotland III, Ronnie "The Rocket" Harrison, (70 years old) passed away peacefully, with his family by his side, Wed., May 29, 2019. In September 2018, Ron was diagnosed with cancer in his left lung. Later he had immunotherapy treatment which appeared to be working. However, in May he was taken into the Queen Elizabeth University Hospital with a chest infection and did not recover.

Ronnie maintained his positive outlook on life throughout his treatment, as was the measure of the man.

A man who took his time to get to know

his colleagues, then forming lasting friendships; a genuine man who was very sociable, often the life and soul of the party, renowned for his unreserved comments, which occasionally caused him some grief, but his comical nature usually saw him through. He would never pass a friend or colleague without a blether and a wee story, always had a smile, a lovely man who will be sadly missed.

Ronnie is survived by his loving wife Hazel; their two sons Adam and Dean and daughter Victoria, a friend to his son-in-law James Stephen and not to forget his four grand-daughters. Sincere condolences to the family.

REFLECTIONS OF A LIFE LOST

By Ben Reisz

I lost one of my best friends on May 9. For the life of me I cannot seem to stop shedding tears and reminiscing on all the good, bad, exciting, funny, sad and the very fun times we experienced together.

He was my brother to the end, and my truth. He is the one I've never had to pretend with or lie to; he literally knew my secrets and thoughts (considering the fact that I am an introvert and usually a very private person). It surprised me to learn that he would have turned 80 years of age in another 17 days, because Raul has been 79 for the last three years. Raul was a hard-working, intelligent, caring and very thoughtful member of Texas IV. One of Raul's best traits was that he always lived his life to the fullest and loved to travel, laugh and smile. I am now left with voice-notes and plenty of photos to try and fill the void that I am left with.

On May 9, 2019 six members of Texas IV had set out for the BK RGC Convention in Tyler, TX. It had all the earmarks of a great get together. Shortly after starting their ride, the group was passing an 18-wheeler at highway speeds, but after the lead bike passed the left front tire of the truck exploded and the truck veered sharply to the left. Debris from the exploding tire hit the second and third bike. The third bike managed to accelerate out of the danger zone, but the fourth bike was unable to escape the truck and an adjacent guardrail. The truck drove Raul Granby's motorcycle into the guardrail, whereupon it flipped over, throwing his wife, Sue, over the guardrail. Raul's neck was broken in the collision, killing him instantly.

Sue was critically injured in the crash. Both of her wrists were broken, her ankle and hip were fractured, her knee was blown out, and she had a compound fracture of her left femur. The femoral artery in that leg had also been ruptured and she was bleeding profusely. As the members of the group rushed to their aid, one retrieved a first aid kit from his saddlebag, extracting a tourniquet and applied it to Sue's left leg, effective stopping the bleeding and saving her life in the process. Seeing her in the hospital like that just tore me in two. Sue had already undergone at least five surgeries to correct her injuries, and seemed to be out of the woods, when doctors discovered a dangerous bacterium in her broken femur. Shortly thereafter, the bacteria won the fight and Sue lost her left leg, just above the knee.

While this cacophony of thoughts may seem sporadic and aimless, there is a lesson to be learned from all this that may well spare a Blue Knight brother or sister from the same fate. ALWAYS ensure that at least one member of any riding group has an emergency medical kit available. A few years ago, the chapter purchased several packets of "Quick-Clot" developed by the Israeli Army and placed them with members who were most likely to participate in any given Chapter ride. When applied to a badly bleeding wound, it will effectively cause the bleeding to stop immediately. Had that first aid kit and tourniquet not been available that day for Sue Granby, I sincerely believe that we would have had to deal with two fatalities.

My second point here is, don't dally next to large trucks. I've also experienced a tire blowout from a large truck from a cheap retreat and it ain't a warm experience. Also, as we all know firsthand, the wind can cause these vehicles to move around suddenly at highway speeds. When passing these large vehicles, make sure your lane is clear and go for it. Just get by the damn thing, QUICKLY BUT SAFELY.

From the time-honored traditional summertime road trip with the Chapter to just cruising around town with your knees in the breeze, please remember to incorporate safety into every ride. A simple suggestion or tip could spare many of you the anguish of what we are now experiencing.

It isn't possible to put into words the importance of friendship and how much Raul and Sue mean to me. He positively influenced my life in so many ways and I will miss him terribly. Raul, thank you for your friendship, I will miss you forever and never forget the times we spent together.

Ride with Pride but BE SAFE in the process.

Blue Knights' Brotherhood

Lunch on the dock in Rochester, NY with BK NY-V Tim

BK Virginia 1 President Calloway

By Hammie "Iceman" Ashton, VA1

Brotherhood. It's not just a word to throw around – it means something – and on a trip with a fellow member through New York, I found just that.

The ride and trip there was long but enjoyable because it gave me time to bond and communicate with my Blue Knights brothers. Upon arrival to Buffalo, NY I made contact with Tim Kinney from NY V who agreed to be our guide and escorted us across the border into Canada to see the Niagara Falls from the Canadian side. He did an outstanding job showing us the landmarks and sites. The areas and sites we saw will forever be embedded in our memories. Tim was also guided us along Lake Ontario and a tour of Rochester, NY.

During our trip we also participated in NY V's Christmas in July, a Toys for Tots event transporting toys to Cradle Beach Camp in memory of Trooper Jack Miller. This was a very inspirational event but also rewarding to see the smiles on these kids' faces.

Prior to the completions of the event, we met Bob Servis of NYV, who invited us for a ride on his boat and a lake dinner on Lake Erie and the Outerbank Canal. I really didn't expect this type of friendship or hospitality but was overjoyed with excitement. The sites and viewing of the Bridge of Peace at night will also remain embedded in my memories.

Bob's boat on Lake Erie (Calloway driving)

In route back to our hotel at 1:00am, my bike lost power and stopped on I-290. I then called Bob and Sylvia, who wanted to make sure we made it back to our hotel. Bob searched for a battery but did not find one. He then hitched up a trailer, came to our location and loaded my bike up for transportation to the Harley dealership the next morning. Bob then opened the doors to his home for us and I again found this to out of the ordinary but accepted his hospitality. The next morning Bob took me and my bike to Buffalo Harley Davidson in hope that they would be able to get my bike working. Bob talked with a guy (Geoff) who moved my bike to the front of the line. During the 5 hours to fix my bike, Bob took us around town showing us the sites during the day time. He took time out of his busy schedule to make sure we were entertained and fed.

If there was a Blue Knight award to be given for going above and beyond the call of duty, I would nominate Robert H. Servis for the Brotherhood Award. I was over 500 miles away from home and he came to the rescue. Again I would thank Robert Servis and Sylvia for their friendship, kindness and hospitality.

MOTOMARATHON „BIHAĆ – SREBRENICA 2019“

By Fuad „Fudo“ Komić,
Blue Knights B&H II President

Blue Knights Bosnia and Herzegovina II every year organize motomaratathon from Bihać to Srebrenica in memory of innocent civil victims who were killed in war. As you already know, there was war in Bosnia and Herzegovina from 1992 until 1995. During that period so many people were killed or died. On July 11, 1992, the enemy army killed 8,732 people and many of them are still considered missing. In memory of that day every year on July 11th our club organize motomaratathon which is 700 kilometers long and has more than 1000 participants. Our brothers from other clubs from Bosnia and Herzegovina, Croatia, Slovenia, Germany and from the most of other European countries group together in Bihać downtown and then go via Srebrenica to see a cementary, say a pray for the victims and show them respect with catchword „never forget and never to be repeated“.

(In some of the photos you can see Blue Knights B&H II with colleagues and friends from brother clubs group together in Bihać downtown. Also, Blue Knights B&H II with mayor of Bihać, Fuad Komić, B&H II President Fuad Komić preparing for speech for participants before they go to Srebrenica and participants in prayer before the ride.)

DIE GLORREICHE SIEBEN

7 Jahre Diabetis-Camp, 7 Jahre Unterstützung durch die BK-Germany XXX und ihre Partner

By BIGUMA, Blue Knights Germany XXX

Die Spendenübergabe 2019 konnte kommen. Am 15.06.2019 war es dann wieder soweit: schon routinemäßig trafen sich einige Member von Germany XXX (die Flaming Stars MV konnten in diesem Jahr leider nicht vor Ort anwesend sein) in Waren auf dem Großparkplatz.

Unser Konvoi rollte dann pünktlich bei bestem und heißem Sommerwetter in Richtung MediClin-Mürtz-Klinikum, wo wir bereits von Frau Dr. Kathrin Hake, der Initiatorin des Diabetis-Camps, erwartet wurden.

Nach einem kurzen Imbiss im Foyer war der Moment gekommen: gemeinsam mit den Vertretern der GdP Kreisgruppen Rostock und Neubrandenburg konnten wir eine Spendensumme von insgesamt 1900,00 Euro übergeben.

hier die Pressemitteilung des MediClin-Mürtz-Klinikums:

Am kommenden Montag startet in Waren wieder das MEDICLIN Diabetescamp – eine besondere Schulungswoche für Kinder, die an Diabetes mellitus Typ 1 erkrankt sind. Das Camp wird zum größten Teil aus Spenden finanziert. Im Vorfeld haben auch in diesem Jahr wieder zahlreiche Unternehmen und Einzelpersonen aus der Region für die Schulungswoche gespendet.

Die wohl spektakulärste Übergabe der Spendengelder ist sicherlich immer die, der motorradfahrenden Polizisten und Feuerwehrleute aus MV, die Blue Knights und die Flaming Stars. Mitte Juni übergaben sie den Spendenscheck in Höhe von 900 Euro an Dr. Kathrin Hake, Chefarztin der Klinik für Kinder- und Jugendmedizin des MEDICLIN Mürtz-Klinikums und Initiatorin des Camps. Die Polizeigewerkschaft spendete zudem noch weitere 1000 Euro. Es ist inzwischen eine richtige Tradition geworden, dass sie einmal im Jahr mit lautem Geknatter auf das Gelände des MediClin Mürtz-Klinikums fahren. Ebenso wie das Camp fand nämlich auch die Spendenübergabe bereits zum siebten Mal statt. Die Motorradclubs sind von Anfang an feste Sponsoren.

Die Blue Knights sind eine Vereinigung von Motorrad fahrenden Polizisten, die sich ursprünglich 1974 in den Vereinigten Staaten gegründet haben. Die Idee dieser Bewegung ging 1989 auch auf Europa über, so dass viele Länder eigenständige Unterabteilungen gegründet haben. In Deutschland gibt es derzeit 39 entsprechende Clubs. Mit rund 24.000 Mitgliedern und 600 Clubs weltweit sind die Blue Knights einer der größten Motorrad Clubs. Unsere Blue Knights hier aus der Region fahren mit ihren Motorrädern durchs Land, um für gute Zwecke Spendengelder zu sammeln und sie dann entsprechend einzusetzen.

Aber nicht nur mit Geld unterstützen die Polizisten. Im Rahmen des Freizeitprogramms des Diabetescamps ermöglichen sie auf den Ausflügen den Kindern, einmal selbst auf einem tollen Motorrad zu sitzen. Sie begleiten die Aktionen des Camps mit und haben über die Jahre einen guten Einblick in das Leben der Kinder mit Diabetes bekommen. Für das Team der Kinderklinik in Waren sind die Blue Knights schon ein fester Bestandteil und Freunde geworden.

Das MediClin-Diabetescamp 2019 richtet sich ausschließlich an Kinder und Jugendliche im Alter von 4 bis 18 Jahren, die an Diabetes mellitus Typ 1 erkrankt sind. Gemeinsam mit anderen jungen Diabetikern verbringen sie fünf Tage in einem altersgerechten sowie alltagsnahen Umfeld in Waren. Dabei werden sie von einem spezialisierten Diabetesteam betreut und geschult, mit dem Ziel, bereits in jungen Jahren einen routinierten Umgang mit ihrer Stoffwechselerkrankung zu erlernen.

Auf dem Aktivitätenprogramm der jungen Diabetiker

stehen in diesem Jahr unter anderem: Stand-Up-Paddling, Eisstockschießen, ein Besuch der Trampolinarena in Rostock, Drachenbootfahren auf dem Tiefwarensee, der Besuch der Mürtz-Saga und eine Betriebsbesichtigung der Mecklenburger Metallguss GmbH. Die Teilnehmer kommen zum Teil aus Waren und Umgebung, inzwischen hat das Camp so viel Popularität erlangen können, dass die Hälfte der Teilnehmer aus anderen Bundesländern kommt. Text: Jenny Thoma, Marketing & Krankenhausentwicklung, MEDICLIN Mürtz-Klinikum, 01.07.2019

Aufgrund der sommerlichen Temperaturen haben wir uns dann entschlossen, den Nachmittag mit Eis, Fischbrötchen, Schiffe gucken u. ä. im Hafen von Waren zu beenden.

Am 09.07.2019 dann unser nächster Auftritt. An diesem Tag stand für die Kids der Besuch der Trampolinarena in Rostock an. Rechtzeitig tauchten fünf Knights aus unserem Chapter an der Warener Jugendherberge auf, um die Busse auf ihrer Fahrt nach Rostock zu begleiten. Aufgrund der relativen kühlen Witterung war der Ansturm auf die Mopeds doch sehr verhalten, außer Vanessa, (bereits seit einigen Jahren Teilnehmerin am Diabetis-Camp) ihr ist das Wetter egal, sie möchte Motorrad fahren. Ihre „Schmerzfreiheit“ was das Motorradfahren auch bei schlechtem Wetter angeht, hat sie bereits in den vergangenen Jahren unter Beweis gestellt.

Als zusätzliches Highlight traf dann noch ein Funkwagen der „Besonderen Verkehrsüberwachung“ des Autobahn- und Verkehrspolizeireviers Altentreptow ein, um die Fahrzeugkolonne auf einem Teil ihres Weges zu eskortieren.

Während die Kids sich in der Trampolinarena Rostock austoben, nutzen wir Knights die Gelegenheit, uns in Rostock-Warnemünde mit Fischbrötchen, Eis und Kaffee zu stärken (nein, die Wiederholung mit dem Abschluss in Waren ist kein Zufall).

Nach dem Mittagessen in der Rostocker Trampolinarena standen die Busse und die Mopeds für die Rückfahrt bereit. Da die Temperaturen doch im Laufe des Vormittags deutlich angestiegen waren, brach jetzt fast ein Streit über die Mitfahrt auf unseren Mopeds aus.

Als zusätzliche Überraschung hatten wir noch den Besuch der Polizeihubschrauberstaffel MV in Rostock-Lage vorbereitet. Da damit noch ein zusätzlicher Stopp verbunden war, konnten wir die Kids beruhigen und ihnen damit eine weitere Wechselmöglichkeit zur Mitfahrt anbieten.

In Rostock-Lage angekommen wurden wir bereits von den Kollegen der PHUST MV erwartet. Nach der Begrüßung und Erläuterung über wichtige Sicherheitsregeln durch den Leiter, Frank Freitag, mussten wir aufgrund der doch recht großen Teilnehmerzahl am Diabetis-Camp eine Teilung in zwei Gruppen vornehmen. Die Kollegen der PHUST MV übernahmen damit also zweimal eine Führung und Erläuterung zu diesem, für einen Außenstehenden, doch recht „ungewöhnlichem“ Einsatzmittel der Polizei. An dieser Stelle sei der PHUST MV für die unkomplizierte Absprache, für ihren Einsatz und ihre Geduld an diesem Tag ganz herzlich gedankt.

Die Rückfahrt zur Jugendherberge in Waren mit einem weiteren Wechselstopp verlief dann ganz unspektakulär. In der Jugendherberge angekommen, war dann nicht nur bei den Teilnehmern am Diabetis-Camp, dem Betreuer-Team, sondern auch bei uns Knights, eine gewisse Erschöpfung erkennbar.

Fazit des Tages: Alle hatten ihren Spaß, alle waren wieder in der Jugendherberge Waren angekommen – Mission erfüllt, und im nächsten Jahr dann auf ein Neues.

THE MAGNIFICENT SEVEN

Seven Years of Diabetes Camp, Seven Years of Support by BK Germany XXX and their Partner By BIGUMA, Blue Knights Germany XXX

Translated to english by Michael-Moehrchen-Wittig, Blue Knights Germany XXX

On May 15, 2019 it was that Donation time again. Already routinely some members of Blue Knights Germany XXX met in Waren. The representatives of the Flaming Stars couldn't unfortunately be present this year. Our convoy rolled then in time at best and hottest summer weather in the direction MEDICLIN-Mürtz-Klinikum, where leadership of the Diabetes Camp was expecting us. After a short snack in the hospital lobby, the moment arrived that together with the representatives of the Police union, local group from Rostock and Neubrandenburg, we presented a total donation 1.900 Euro.

Press release of MEDICLIN-Mürtz-Klinikums:

Next Monday starts the MEDICLIN Diabetes-Camp again – a specially training week for Children, they are suffering from diabetes mellitus type 1. The Camp is for the biggest part financed by donations. Numerous company and private persons from the region donated in advance for that training week.

Probably the most spectacular donation is faithfully made by motorcycling police officers and firefighters from Mecklenburg Western Pomerania, the Blue Knights and the Flaming Stars. Mid-June they presented a donation check in the amount of 900 Euro to Mrs. Dr. Kathrin Hake, chief physician for pediatric and adolescent medicine of the MEDICLIN Mürtz-Klinikums and initiator of the Camp. The Police union donated additionally 1.000 Euro. Meantime it has become a right tradition, which they drive with loud rattled noises to the area of the MEDICLIN Mürtz-Klinikum. As well as the camp took place the donations already for the seventh time. The motorcycling clubs have been solid sponsors from the start.

The Blue Knights is a union of motorcycling police officers, originally founded in 1974 in the USA. The movement came to Europe in 1989. Many countries founded independent subdivisions called Chapters. In Germany 39 such clubs currently exist. With about 24.000 Members and 600 Chapters worldwide, the Blue Knights is one of the biggest motorcycling clubs. Our Blue Knights from this region ride around on their motorcycles through the country to collect donated money, to be used for good cases. But the Police officers support not only with money.

As part of the diabetes camp's recreational program, on the excursions they allow the children to once themselves sit on an amazing motorcycle. They accompany camp activities and get a good view into the life of kids with diabetes over the years. The Blue Knights became an inherent part and friends for the team of the children's hospital Waren.

The diabetes camps are exclusively for youth ages 4 to 18, who suffer from diabetes mellitus type 1. Together with other young diabetics, they spend five days in an age-appropriate and everyday environment in Waren. They're supervised by a specialized diabetes team, with the aim to learn a routine handling of their metabolic disease at an early age.

On the activities agenda this year, amongst other things: stand-up-paddling, curling,

a visit in the trampoline arena Rostock, a ride with dragon boat on the Tiefwarensee, a visit of a show called Mürtz-Saga and a Company tour in the Mecklenburger Metallguss GmbH. For a part the member come from Waren and surrounding.

Meanwhile the camp has gained a lot of popularity, so that the half of the member comes from other federal states.

Original Text from Jenny Thoma, Marketing and Hospital Development, MEDICLIN Mürtz-Klinikum, July 1, 2019

We decided because summery temperatures, to close the afternoon with ice-cream and fish rolls, and watch Ships in the harbor of Waren.

On our next appearance July 7, 2019 the kids had to visit the trampoline arena in Rostock. In time appeared five knights of our chapter in the Youth Hostel of Waren to escort the buses on the ride to Rostock. Due to the relatively cool weather the rush on the motorcycle was restrained, without Vanessa, who has been a participant in the Diabetis camp for several years. She does not care about the weather. She wants to ride a motorcycle. Her "freedom from pain" as far as motorcycling is concerned, even in bad weather, she has already demonstrated in recent years. As an additional highlight came then a patrol car from the "Special traffic monitoring" from Autobahn- und Verkehrspolizeirevier Altentreptow (AVPR) to escort the motorcade on a part of the way.

While the kids romp in the trampoline arena Rostock, we knights use the opportunity to strengthen ourselves with Fischbrötchen, Ice-cream and Coffee (not, it wasn't a coincidence of the repeat after the end of Waren). After the lunch in the trampoline arena the buses and Mopeds stand by for the back ride. Cause the temperature increases significantly the member of the camps discussed, who rides with the Mopeds.

As an additional surprise we have prepared a visit in the Polizeihubschrauberstaffel MV Rostock-Lage. That is the only helicopter squadron in Mecklenburg Western Pomerania and located on the airport nearby Rostock. Cause this visit was joined with an additional stop we could calm the kids down for a change on the Mopeds. After our arrival we're already expected by the colleagues of the helicopter squadron. After the warm welcome and explanations about important safety rules by the Commander Frank Freitag we split the high number of participants of the diabetes camp in two groups. The colleagues of the helicopter squadron take over twice the guide and explanation of this, for outsider unusual police equipment. At this point thank you very much for uncomplicated arrangement, for their commitment and their patience at this day to the helicopter squadron.

The return journey to the youth hostel of Waren with a once more change was unspectacular. After the arrival in the youth hostel we determined some fatigue not only among the participants of the diabetes camp and the support team but also with us.

Conclusion of the Day: Everybody has their fun, everybody had arrived again to the youth hostel – mission accomplished. And next year, to a new one.

2nd Annual Terry Pendleton Ride Benefits First Responders

By The Mag Man, Randy Gracy

Atlanta Braves Hall of Famer and new Blue Knight International Honorary, Terry Pendleton, held his 2nd Annual Charity Ride that benefits the 300 Club of Atlanta. Over 300 motorcycles rode in the event and many more folks came to show support for the event. The scenic ride began at Southern Devil Harley-Davidson and ended downtown Clarkesville at the Music by the Tracks Event. Other Atlanta Braves to attend the event were Otis Nixon, Eddie Perez and Brian Jordan. The 300 club helps first responders and their families that are killed or injured in the line of duty.

Terry will be issued his Official International Honorary Colors at our SRC in October.

Australia V Member & Friends come to America

By Louis Haslam, Australia V

Australia V member Louis Haslam, a retired Detective Sergeant of Police NSW Australia, along with his two friends, Lewis Roussos and Mike Pett, came to America to ride cross country. Here are his words about the American visit.

"When we arrived we were met and assisted by four members of the New York VII chapter out of Staten Island New York. The President Jim Burgardt, John Walker, Eddie Velez and Ken VanCott met us as we picked up our hire bikes from Eagle Rider, Staten Island. They rode us out of NY where we had lunch in the beautiful country town of Stockton New Jersey. They then put us on the road to Pittsburgh. They were truly wonderful guys and did us proud. My friends and I rode across your great country flying out of LA twelve days later. We met so many great people on the trip and saw so many beautiful places. Being a member of the Blue Knights makes you realize we have all lived through the same experiences which makes it an exclusive club throughout the world. Thanks again NY VII for looking after us.

Knights Rush to Aid BK Family Members

By Thomas Gravagna,
President FL XVI

On June 7, Florida XVI member Paul Collins, age 70, was taken from us as a result of injuries sustained during a motorcycle accident near Asheville, North Carolina, earlier in the day. I wish to extend my sincere gratitude to North Carolina

Chapter XVI President Bob Rhodes and North Carolina Chapter XXIII President Billy Perry for their selfless support and assistance to Paul's family, his companion, Maureen and friends during this tragic time. Their responsiveness greatly reduced the burden of completing the necessary tasks immediately following the accident.

Their generosity, compassion and fraternal benevolence will never be forgotten.

GA XII Presents Bond Funds to Children of Slain Officer

By Nancy Crosby, GA XII

Recently Scott Crosby and I were able to visit Amanda Thomas who is the daughter of Deputy Michael Sean Thomas who was with the Bibb County Sheriff's Office. Mike died in 2008 from injuries when his department motorcycle collided with a pickup truck. Shortly after, Chapter XII held a fund raiser in his honor. The proceeds were placed into a bond until his two children were of age. On June 17, they were able to present Amanda with those funds plus interest. It wasn't a lot, but it was from her dad and we delivered on Father's Day. We all felt the joy of what we do at that moment.

Germany XV

Blue Knights Germany XV Ernennt Dieter Schmidt Zum Alterspräsidenten

In Würdigung seiner besonderen Verdienste um das Chapter und anlässlich seines 80. Geburtstages hat Blue Knights Germany XV sein langjähriges Mitglied Dieter Schmidt in den Rang des Alterspräsidenten erhoben. In Anwesenheit einer Abordnung des Chapters überreichte President Ulrich Biller dem Jubilar die Ernennungsurkunde, dankte für das herausragende Engagement und wünschte Dieter Schmidt noch viele Jahre "RIDE WITH PRIDE" unter den Colors der Blue Knights.

Blue Knights Germany XV Appoint Dieter Schmidt as Former President

In tribute to his special achievements around the chapter and on the occasion of his 80th birthday, the Blue Knights Germany XV has its long-standing member Dieter Schmidt earned the rank of former president.

In the presence of a band of the chapter, President Ulrich Biller presented the certificate of recognition to the jubilee, thanking Dieter Schmidt for the outstanding commitment and wished Dieter Schmidt many more years of "Ride With Pride" among the colors of the Blue Knights.

PA4 Rides in 3rd Annual Thin Blue Line – Heroes Ride

By PA 4 President Roger Lehman

As President of PA IV, I just want to personally reach out to all the members who attended the ride on this past Saturday. I can't put into words how much PRIDE I feel for this Club and your attendance at such an important event. I don't believe I have seen such a turnout in quite some time.

THANK YOU ALL, it was great to see everyone of you & great to spend time with you and your family members & friends that also joined us!

You make me proud, Ride With Pride.

Blue Knights at a Glance

Board of Governors

Greetings to all our brothers and sisters.

I hope your summer is going well. This past year I have attend 10 conference board meetings representing the BOG, twice at the GLRC, MDC, SRC, attending once at the MWRC, NEC, RGC, and WCC.

We have had only one special fund payment for 2019. All information is on the web page.

This year's BOG cruise is scheduled for September 28 through October 5 on Carnival Cruises. This yearly cruise is open to all members, family, and friends. We will have information on the 2020 cruise out soon and hope you all may consider taking a cruise with your Blue Knights family.

Congratulations to our new International executive committee I am confident that those selected by the membership will do a fine job. I want to congratulate all the members that stepped up and ran for International officers.

Thank you all again for allowing me to represent you as the BOG Chairman. Ride With Pride!

Fraternally,

RORY MacCONNELL, FL XVIII

European Editor JOHN RADCLIFFE Director, England V EuEditor@BlueKnights.org

Hi there.

Just a few words to introduce myself as the new European editor of your magazine. I have been a Blue Knight for some twenty years, and am currently a director of England V. I was the founding editor of the UKIC magazine, Knight Riders and served for five years as UKIC International Rep. I have also worked as a freelance writer on a UK Motorcycle Magazine. That magazine is now defunct, but it wasn't my fault; a big boy did it and ran away.

Although BMW bikes are in my DNA, my current ride is a Harley Davidson Electro Glide.

As European editor I intend to continue the work of the previous editor Neil Halam in ensuring that Europe (and here I use the term in its wider geographical sense; Brexit will not affect the Blue Knights brotherhood) gets full coverage in the magazine. I will be assisted in that by the publisher Randy Gracy and the new North American editor DJ Alvarez. I have worked with DJ on the original launching of The Sword and Shield and I know that he is passionate in that aim, as is Randy.

So, that just leaves you: the European membership. I cannot be aware of everything that goes on in Europe, but I do know that you are all active and dedicated Blue Knights. If you have something that you think should be published in the magazine, then send it to me. If you want some advice as to how to go about it, get in touch with me and ask. Together we can continue to drive Europe forward (again, forget Brexit!) but we need to work together.

Ride With Pride!

N. American Editor DJ ALVAREZ, TX XXXI Immediate Past Int'l President dj@blueknights.org +1 (281) 642-8716

Hello valued and fellow Blue Knights!

I am proud to have been appointed as the North American Editor for the Sword and Shield Magazine! My new position, as well as serving as your Immediate Past International President, allows me to continue working for you, the membership. It is my goal as part of the Sword and Shield team to help continue to make the magazine entertaining and informative. We cannot do this alone and need articles and quality photographs to help share the good and fun times our members have as Blue Knights. If you have an idea for something in the magazine feel free to reach out to me to discuss it, you never know!

I will be traveling to Blue Knight events covering the action, taking photos and continuing to meet everyone. Let us know what your events are coming up so we can help get the word out with advertising and social media posts. Always remember, the Sword & Shield Magazine is the only way to reach every Blue Knight member and it's the absolute best way to get your event out the folks you want to attend them.

My email address hasn't changed; dj@blueknights.org nor has my cell phone; +1 (281) 642-8716.

I am always available to the membership.

Thank You, and God bless!
